Well before that
I can't nothing but to close in on your enemies and slice them. It wasn't a good teaching standard.
Precisely

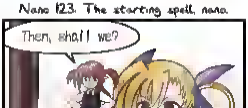
Nano 123. The starting spell, nano.



The wind in the sky the stars in the heavens the dazzling light in the world
The persisting heart in this chest!
Grasping magic with these hands Lyrical Magical!

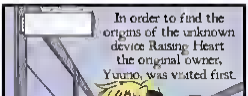
Nano 125 Staircase towards lust nano.



Please~
Since this is the last one...
Eh?
Eh?
Wait Yuuno-kun! Don't get so intense all of a sudden~
I can't take it if you attack so aggressively~

Nano 130 Act of God, nano.

Ahaha, just kidding...
Don't say something like that as a joke!
Oh well... Even if it's just us we'll increase the rates.
Ah, Hello, Lindy-san?
I'd like to charter one of the TSAB's trucks
Yes Yes, Stopping it on the hill without brakes—
だっ

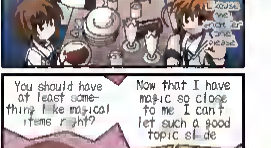
Nano 133 Knife through the heart nano.

Still it's unfair for only Nanoha to be able to use magic
Well we can't do anything about that right?
Because that's the way it is!



You should have at least something like magical items right?
Now that I have magic so close to me I can't let such a good topic slide
Like magic swimwear, boom or something?

Translation: Basaka

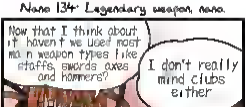
Nano 134: Legendary weapon, nano.



Now that I think about it haven't we used most main weapon types like staffs, swords axes and hammers?
I don't really mind clubs either
Wait haven't we had this discussion before?

Translation: Basaka

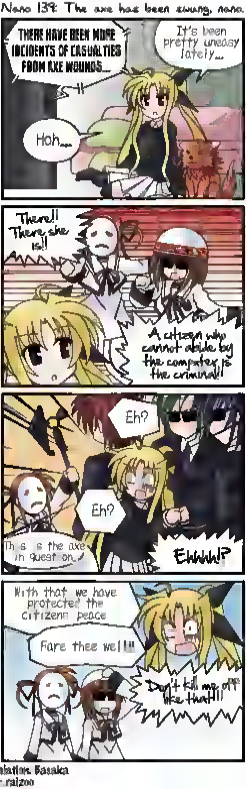
Nano 139: The axe has been swung, nano.



THERE HAVE BEEN MORE INCIDENTS OF CASUALTIES FROM AXE WOUNDS...
It's been pretty uneasy lately...
Hoh...
There!! There she is!!
A citizen who cannot abide by the computer is the criminal!!
Eh?
Eh?
This is the axe in question.
EHWWW?
With that, we have protected the citizens' peace
Fare thee well!!
Don't kill me off like that!!!
